

# Just because it fits, doesn't make it right.

## Don't risk losing performance with a misfit fifth wheel top plate!

**Priced lower than will-fit, the HOLLAND FWS1 makes best replacement sense.**

When you pick your horse, make sure you go with the thoroughbred for a winning performance.

The FWS1 is engineered to meet OEM quality expectations, and priced lower than the will-fit. Be sure to always ask for the perfect fit—the HOLLAND FWS1 fifth wheel.
